

Raymond M.
Alf Museum
of Paleontology

TAKE A TRIP THROUGH TIME!

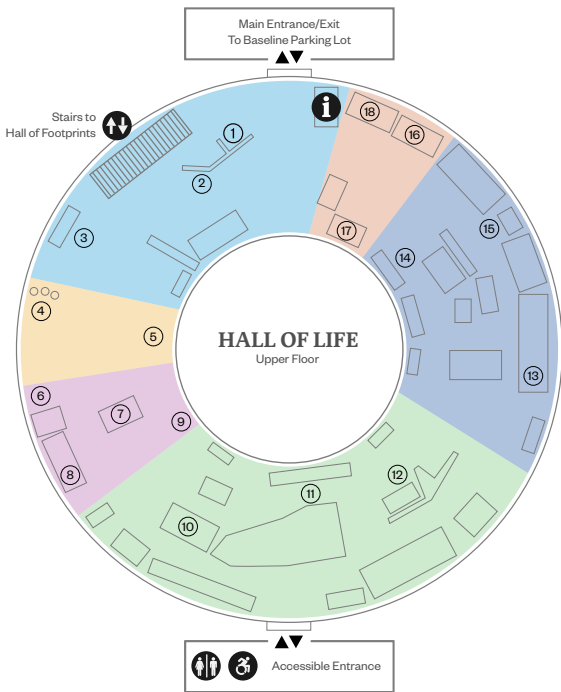

The **Raymond M. Alf Museum of Paleontology** at The Webb Schools is a center for paleontological research, fieldwork, and education. We are the only accredited museum on a high school campus.

Explore 4.6 billion years of Earth's history in our Hall of Life. See ancient microscopic life to dinosaurs like "Joe" the baby *Parasaurolophus*!

Or step into our Hall of Footprints to learn how fossils are formed and what we can learn from them.

Visit the Alf Museum and discover your moment of time!

WELCOME

1. Time Spiral
2. Meet Ray Alf
3. Evolving Species

PRECAMBRIAN

4. Stromatolites

EDUCATION

The Alf Museum is a world-class resource for educators and learners in Southern California and around the world! From our NGSS-aligned tours to our free livestreams, we are here to share the incredible story of life on earth.

Virtual Experiences

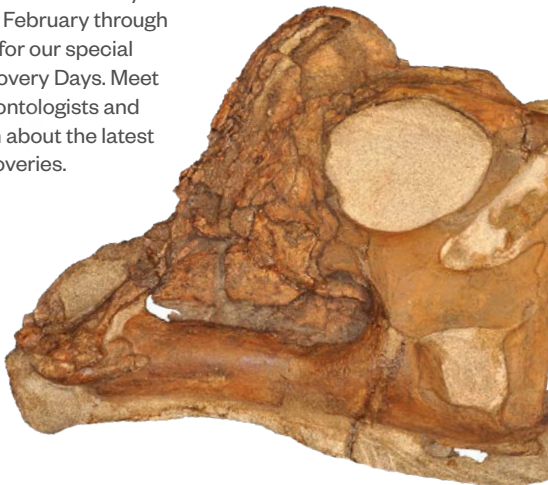

Bring the Alf Museum into your classroom with our Dynamic Dinosaurs and Exhibit Exploration guided virtual programs.

Fossil Friday Chats

Meet paleontologists from around the world and hear fascinating stories from the world of paleontology live every other Friday on YouTube.

Discovery Days

Join us on Saturdays from February through May for our special Discovery Days. Meet paleontologists and learn about the latest discoveries.
